## Maintenance Free

Security & Efficiency is what you get from our Rigid Vinyl Insulating Basement Window..

*Hopper Window*

*Reversible Utility Window*

Replace those leaky, drafty basement windows with maintenance free, welded vinyl frame and sash with double 3/4" thick insulating glass, that also reduces exterior noise.

Heavy duty hardware and locking handle add safety and a sense of security to your basement.

These energy efficient windows feature two point durable weatherstripping which assures better water and air seal.

Removable screen included makes spring cleaning easy.
