Series 451 Horizontal Slider Window

- Single sash horizontal slider with brick mould exterior frame
- Nylon glide pads provide smooth sash movement
- Integrated glide rail allows easy sash opening and closing
- All-welded frame and sash corners
- 7/8" insulated glass
- Available in 2-lite and 3-lite configurations
- Integrated nail-fin and J-channel for easy installation
- Standard configuration is XO (from outside view); OX must be specified
- Half screen is included as standard
- Complements Series 450 Double Hung family
- DP 35 rating (available with DP 50 option)

Custom Options

- Low-E Glass and Argon Gas for additional efficiency and Energy Star compliance
- 5/8" or 3/4" flat and 1" contoured grid available
- Paintable or stainable wood jamb extensions (4-9/16" and 6-9/16")
- Custom sizes available

Thanks to the integrated J-channel design, you can easily install vinyl siding around windows - without extra labor or materials.

Choose the optional wood jamb extension and factory mull for simpler installation, without extra labor or materials.

True brick mould exterior frame.
