

## Series 200 Single Hung Window

Available colors for all models: White, Almond

### Series 200 (with Brick Mould Exterior)

- Advanced 3/4" insulated glass provides superior thermal efficiency.
- Double sash locks come standard with all windows 27-1/4" or wider.
- Aluminum-reinforced lock rail and meeting rails add strength.
- Sloped sill allows easy water run-off.
- Bottom sash tilts in for easy cleaning.
- Prepunched nailing fin makes installation easier.
- Half screen included.
- Block & Tackle balance system.
- Jamb depth 2.624".

### Custom Options

- Low-E Glass and Argon Gas for additional efficiency and Energy Star compliance.
- 5/8" or 3/4" flat and 1" contoured grid available.
- Paintable or stainable wood jamb extensions (4-9/16" and 6-9/16")
- Custom sizes available.

Bevel Frame

In addition to the optional 5/8" and 3/4" grid between the glass, the 1" contoured grid shown here is also available.
