

Casement Window features an attractive brick mould exterior. Available colors: White, Almond

Awning Window available colors: White, Almond

Casement Window

- Brick mould exterior frame design, the profile-of-choice among builders, architects and homeowners.
- 3/4" insulated glass panel with Warm Edge Spacer System for optimum thermal performance and the ability to upgrade glass options to meet any thermal, cosmetic or functional requirement.
- Multi-seal weather protection provides multiple barriers and maximum defense against air and water infiltration.
- Jamb depth 3.250".
- State-of-the-art hardware – low-profile lock handle provides a popular aesthetic appeal.
- Sash cranks open 90° for easy cleaning.
- Multi-Point locking system provides superior pull-in mechanism with single lever.
- Complementary awning, picture window and architectural shapes allows for same family window schedule for any home design.
- Slim-line mullion design
- Continuous head and sill design provides for modular sizing.
- Precision mitered fusion-welded corners provide superior structural strength and weather resistance.
- Multi-chambered frame assembly improves thermal performance and helps enhance sound absorbency.

Integral nail-fin is pre-punched to target proper nail location for quick, easy installation.

Low-profile lock handle provides a popular aesthetic appeal

Series 755 Awning Window
