

Series 300 Aluminum Single-Hung Windows

300 Insulated Single-Hung Window

- Aluminum frame and sash components are precision cut and assembled to make joints weather-tight
- Sashes interlock for added strength/security
- Vinyl bulb seal spans bottom of operable sash to minimize air and water infiltration
- Continuous extruded nail-fin on all frame sections for fast, easy installation
- Warm-edge insulated glass reduces condensation and improves thermal efficiency
- Positive sash-lock provides security and helps keep the frame and sash weather-tight
- Integrated lift rail allows you to easily operate the bottom sash
- Weather-stripping at interlock helps reduce air and water infiltration
- 5/8" Insulating glass provides energy saving thermal performance
- Full perimeter weather-strip insulation provides energy saving thermal efficiency
- Sloped-sill for easy water run-off
- Choice of White, Bronze or Sandstone color options
