

*Series 375  
Aluminum  
Single-Hung  
Tilt-Sash Windows*

*375 Single-Hung, Tilt-Sash Window*

- Continuous extruded nail-fin on all frame sections for fast, easy installation
- Warm-edge insulated glass reduces condensation and improves thermal efficiency
- Sashes interlock for added strength and security
- Weather-stripping at interlock and sash stile helps block air and water infiltration
- Tilt-sash window for easy cleaning from the inside
- 5/8" insulating glass provides energy saving thermal performance.
- Vinyl bulb seal spans bottom of operable sash to minimize air and water infiltration
- Sloped-sill for easy water run-off
- Aluminum frame and sash components are precision cut and assembled to make joints weather-tight
- Positive sash-lock provides security and helps keep the frame and sash weather-tight
- Tilt latch releases bottom sash for tilt-in function
- Integrated lift rail allows you to easily operate the bottom sash
- Full perimeter weather-strip insulation provides energy saving thermal efficiency
- Choice of White, Bronze or Sandstone Finish color options
