9001 Insulated Single-Hung Window

- Straight leg jamb assemblies enhance ease of installation
- 1-3/8" nail-fin setback for easy installation for brick veneer construction and selected stucco applications
- Block and tackle balance system assures ease of operation
- Internal sash lock provides security and keeps the window and mainframe weather-tight
- Integrated top lift rail for easy open and close action of operable sash
- Precision cut and assembled to reduce air and water infiltration
- Horizontal assembly adds strength to head and sill for enhanced durability
- Decorative 9/16" or 13/16" grid conveys a classic elegance (optional)
- Sash is removable for easy cleaning from inside the home
- 5/8" insulating glass provides energy saving thermal efficiency.
- Choice of White, Bronze or Sandstone color options
- Sloped-sill allows for easy water run-off
