Tilt-Sash Windows

R1200 Insulated Single-Hung, Tilt-Sash Window

- Precision cut aluminum frame and sash components for a strong, durable assembly
- 5/8" Insulating glass provides energy saving thermal performance
- Full weather-strip insulation provides energy saving thermal efficiency
- Pre-tension spiral balance system provides a smooth, effortless operation
- Tilt-latch allows bottom sash to tilt-in for safe, easy cleaning from inside the home
- Dual-cam window locks provide security and helps keep the frame and sash weather-tight (2-0 and wider units)
- Tilt-in bottom sash makes cleaning a breeze. Can be removed if necessary
- Integrated lift rail allows you to easily operate the bottom sash
- 1" nail-fin setback for brick veneer construction and selected stucco applications
- Sloped-sill allows for easy water run-off
- Choice of White, Sandstone or Bronze Finish color options

Custom Options

- Decorative 9/16" or 13/16" muntins
- Energy saving Low-E glass
- Single-hung, arch-top, picture windows and shapes
- Tinted glass or Low-E glass
