Series 2020 Vinyl Single-Hung Window

- Multi-cavity vinyl chambers improve thermal performance and structural integrity
- Equal glass size provides visual symmetry
- High profile nylon fin-seal weather-stripping enhances thermal efficiency
- Dual steel reinforced interlocking meeting rails provide superior structural integrity and reinforce security lock
- 3/4" insulated glass provides energy saving, thermal efficiency
- Pre-punched integral nailing-fin targets proper nail location for quick, easy installation
- Concealed balance system assures ease of operation
- Self-tightening, die-cast cam-action latch and lock assembly anchored in steel for extra security. Meets all forced entry requirements
- Interlocking sashes keep both sash units tight and secure and seal out weather
- Easy care vinyl with integral color throughout for durable, lasting beauty
- Frame options include both Flush Fin and J-Channel
- Decorative grids available in Colonial or Perimeter styles. Available in 5/8" flat or 1" sculptured
- Precision-mitered/fusion-welded corners provide superior structural strength and weather resistance
- Choice of White, Almond or Adobe color or White with Brown painted exterior

3400 Tacoma St. ■ Union Gap, WA 98903
