

Series2050 Vinyl Casement Windows

Series 2050 Vinyl Casement Window

- Multi-cavity vinyl chambers improve thermal performance and structural integrity
- Beveled exterior frame adds a stylish architectural accent
- 3/4" insulated glass provides energy saving, thermal efficiency
- Decorative grids available in Colonial or Perimeter styles. Available in 5/8" flat or 1" sculptured
- Triple weather-strip blocks wind and water infiltration
- Concealed hinge and operating hardware provide a smooth, sleek appearance
- Pre-punched integral nailing-fin targets proper nail location for quick, easy installation
- Precision-mitered/fusion-welded corners provide superior structural strength and weather resistance
- Easy care vinyl with integral color throughout for durable, lasting beauty
- Multipoint locking hardware provides comforting security and a weather-tight seal between the frame and operating sash
- Easy to operate casement window opens a full 90° for maximum ventilation and comfort
- Roto-gear operator provides a smooth, easy open and close action
- Intersecting T-bar construction provides exceptional structural integrity for combination units
- Choice of White, Almond or Adobe color or White with Brown painted exterior
