Series 890 Vinyl Patio Door

- Equal size glass in the fixed-lite and sliding vent panel create an attractive, symmetrical harmony
- High profile nylon fin-seal weather-stripping enhances thermal efficiency
- Interlocking sashes help block the infiltration of wind and water
- 3/4" insulated glass provides energy saving, thermal efficiency
- Pre-punched integral nailing-fin targets proper nailing location for quick, easy installation
- Precision-mitered/fusion-welded frame corners minimize air and water infiltration and strengthens durability
- Stylish lock and handle provides security and ease of operation
- Multi-cavity vinyl chambers improve thermal performance/help retard heat transfer
- Dual steel reinforced interlocking meeting rails provide superior structural integrity
- Door glides effortlessly across a maintenance free, stainless steel track
- Easy care vinyl with integral color throughout for a durable lasting beauty
- Self tracking, adjustable tandem rollers with stainless steel axle assures a smooth operation of sliding door
- Decorative grids available in Colonial or Perimeter styles. Available in 5/8" flat or 1" sculptured
- Choice of White, Almond or Adobe color or White with Brown painted exterior
